Justin Trudeau
(Canadian Prime Minister)

"Islam is not incompatible with a
Western, secular, democracy like Canada."

© 2021

ISBN 978-1-7778723-0-4

It is said that few world leaders are more committed than Justin Trudeau, to expediting diversity, multiculturalism, transgender normalization and a burgeoning, vibrant, Muslim community.

“Justin Trudeau is the Najashi of the current ERA. He hosted Muslims, honoured them, visited their mosques, and greeted them for their holidays. Trudeau removed the suspicion that terrorism is related to Islam. In Islam there are men in the world with their wisdom such as Recep Erdogan president of Turkey and Justin Trudeau of Canada. We thank you (Justin Trudeau) for hosting Muslims on behalf of this Canadian country, which you run the same way the Najashi ruled the ancient era when Muslims were oppressed in Mecca. Thank you! The (Muslim) world is happy to see people like Recep Erdogn president of Turkey and Justin Trudeau.”

Sheikh Shaban Sherifmady, Friday sermon posted in 2018.

This book is meant to be starting point that will inspire you to delve, as Imam Yasir Qadhi says, "take a deep dive" into what some call the most misunderstood religion of peace. This book is not intended to portray Islam, but to illuminate the teachings of leading North American Imams and scholars that are seemingly ignored by the mainstream media.

Imams and scholars give non-Muslims two major advisories: one, do not rely on mainstream media to learn about Islam; two, context is vital to understanding the intended meaning.

Some of the teachings in this book will need clarification and contextualization that is beyond the scope of this book it is, therefore, recommended that you obtain clarification and contextualization by visiting your local Mosque or dawah center.

Toronto Imam Iqbal Nadvi

"Islam is a solution for all humanity."

Toronto Imam Abdool Hamid

"Islam did not come here to take over for the sake of taking over, but to improve the lives of people. That's why Islam came. And this is what it did in the time of the Prophet *PBUH*. But, to improve the lives of people, changes will have to be made; so, it may seem from one perspective that Islam took over, so to speak."
